Once you have submitted the application, you will be given a specific timeslot prior to the audition. (Auditions will run for approximately 10 minutes) Students who are unable to attend will have an option to submit a video audition. For further details, please email the Music Coordinator.

Requirements:

The audition will consist of the following:

1. Perform a prepared piece of music on your chosen instrument (2-3 minutes long). Vocalists may use a backing track or have an accompanist on an instrument to perform with (not necessary).
2. General music knowledge questions covering; pitch (note names), dynamics (p, mp, mf, f, ff) and rhythms.
3. Aural listening test; students will be asked to listen and respond to basic pitch recognition and rhythmic patterns (clapping and playing patterns back).

Instruments:

Students will be required to bring their own instrument. Electric and bass guitarists will be provided with a lead (cable) and amp. There will also be a drum kit available for students auditioning on drums.
